

Hi-Fi Headphones with Mic

Hear and Speak with Complete Clarity

K33323WW

Product Description

Designed for the transition to computer-based learning and testing, the Hi-Fi Headphones with Mic provide high-quality sound along with a built-in microphone for verbal responses. Delivering deep bass and a wide dynamic range, the headphones have an adjustable, padded headband and plush, sealed earpads that fit a wide variety of ages and are extremely comfortable to wear. The headset is also incredibly durable, with a robust 9-foot cord and a gold-plated audio jack.

Features

- Powerful 40mm drivers for deep bass and wider dynamic range deliver exceptional sound
- Flexible, rotating boom-style microphone
- Limits sound to 94db for safe listening
- Adjustable, padded headband fits a wide variety of ages
- Plush, sealed earpads enable hours of comfortable use
- Robust 9-foot cord and a gold-plated jack stand up to heavy use
- Flexible earcups enable single-sided monitoring capability
